Coach of Dominican Republic planning for **World Championship** in Japan

TUXTLA GUTIERREZ. Mexico. September 20, 2010 – Brazilian Marcos Kwiek, coach of Dominican Republic National Team, is using the Women's Final Four Cup as a test laboratory to put together the best possible team for upcoming FIVB World Championship in Japan next October and November.

where the Dominicans won the gold young team."

Prix where they finished in eighth place.

"Our purpose is to win but we are also trying to put together the best possible team for the upcoming World Championship," Kwiek said in the press conference before the start of the Final Four Cup.

Coaches of Argentina, Mexico and Peru also expressed their points of view and goals during the meeting with the press. Here follow some excerpts of their statements:

Horacio Bastit (ARG): "We have had Kwiek used different sides during the some changes in this team because Central American and Caribbean some of our players have migrated to Games in Mayaguez, Puerto Rico, Europe, and at this time we have a very

medal, and in the FIVB World Grand Marcos Kwiek (DOM): "As in every competition, you come to win and to be champions and that is our purpose. We are trying to put together our ideal team for the World Championship, and this tournament will help us on achieving the goal".

> Jose Alfredo Bernal (MEX): "This tournament represents a great opportunity for us to play against the best classified teams in their respective events. To be in Chiapas is also very important, because it is a chance to support the national sports and we are here to enjoy the tournament at its best".

> Kim Choel Yong (PER): "I am very happy to be here at the Chiapas 2010 Final Four Cup. We will try to do our best to play a very fun and spectacular game".
