St. Lucia takes the easy path the finals

St. Johns Antigua, August 31, 2019 - St. Lucia had an easy passage into the finals of the ECVA Male U21 championship when they dismissed 4th place St. Kitts/Nevis in straight sets (25- 11, 25 -18, 25 - 5) in the first of the two semifinals.

The script was very similar to the first time these two teams met in the regular pool play. The St. Lucia offense had their way while the opponents struggled to keep pace. This was true of this semifinal except for the second game where the St. Kitts/Nevis team poured out their best effort. They led at 3 times different periods in the before St. Lucia was able to draw level then pull away.

St. Lucia's Outside Hitter in Joshua Florent (10 points) and Middle Blocker Daniel Zid (9 points) did the bulk of the scoring on the individual level. The St Kitts /Nevis team aided and abetted St. Lucia's effort by giving up 37 errors while benefitting from only 22.

Overall St. Lucia led in Spikes 23 to 9, they had the advantage in Blocks 9 to 3 and reeled off 6 Service aces while St. Kitts/Nevis did not muster any. However their efforts did not go unnoticed as Outside Hitters Zedan Clarke and Zendai Richards combined equally for 10 points 8 of them coming from spikes.

Coach Terry Verdant of St. Lucia: The game was still not to my liking it was very clear that this is a weaker team and I wanted the guys to go through the game as if it was a final, to get accustomed to a particular rhythm. Only one guy was doing exactly what we wanted the rest seem to have lost that killer instinct.

St. Lucia's Captain Remy Kernel: We do have a killer instinct but it goes to show that whenever you are playing a weaker team it is very difficult to maintain a high standard, so it happens, we tend to get complacent. The good thing about this was that we were able to come out of it and get a more convincing victory in the 3rd set.

Coach Shawn Seabrooks of St. Kitts/Nevis was still wearing a smile.

St. Lucia did not beat us because of a potent offense, it was due to our own faults

These came about as they were given the task of neutralizing the outside hitting of St. Lucia. The guys focused so hard on that they missed the simple things. This game allowed me to see some extended glimpses of the potential that the guys

have and apart from the third set they gave a good account of themselves improving in every game. I feel confident that they can do even better in the battle for 3rd place”, he reported.

St. Vincent and the Grenadines survives a scare on route to the finals

St. Johns Antigua, August 31, 2019 – St. Vincent and the Grenadines overcame a feisty Antigua Barbuda team and overturned a one game deficit to win in 4 sets (17-25, 25-16, 25-18 and 26-24).

A small but rowdy home crowd gave yeoman support by screaming, shouting, banging the boards and at times coaching in an effort to give their team the edge. Team SVG remain stoic and got their Outside Hitters executing the kills on a more regular basis as the games went on. In fact Kyle Liverpool 15 (points) and Enrico Louraine (8 points) to combined for 23 points from that position. The other high scorer for Team SVG was the Captain and Setter –Jamaar Cropper who knocked down 8 Kills on his way to chalking up 10 points.

Antigua/Barbuda only have themselves to blame. After winning the first set they found it difficult to close down the SVG's offense but at the same team committed far too many errors. The scoreboard showed 48 errors (including 7 rotational faults) contributed to the SVG scoreboard. They in turn benefitted from 37. By the time they had figured out a way to mute the SVG attack in set # 4 they were able to draw level and get to set point before SVG. Ironically it was two unforced errors that led to their final demise. At that point several players broke down and cried.

For Antigua/Barbuda Captain Tejani Harvey (Middle Blocker) carried out the main attack with 16 points (12 Spikes and 4 blocks) while he was supported by Outside Hitter - Miguel Bourne who had 11 points which included 8 Spikes.

Coach Vance Andrews pointed to his Outside Hitters as one of the keys to victory.

"After a bad start we took some time to get into an attacking rhythm. I must compliment my setter who was key to getting the Outside Hitters and the attack going. They too ought to be complimented as they scored when we really needed it. The crowd was not a factor really as we were able to ignore them and play above the noise", he said.

Coach Olsen Joseph was down hearted "I think my players cried as they realize now that we could have won had they stuck more rigorously to the plan. We made some adjustments and it worked for a while but I must compliment St.

Vincent as they maintained the composure and executed a very good game overall', he reported.

The result meant that St. Vincent and the Grenadines will face St. Lucia for the championship while Antigua/Barbuda face St. Kitts/Nevis for 3rd place.
