9.5. Informe Auditores Internos 2020 2020 Internal Auditors Rpeort

To: The President – NORCECA Volleyball Confederation
To: Executive Board - NORCECA Volleyball Confederation
To: Financial Committee – NORCECA Volleyball Confederation

From: Internal Auditors – NORCECA Volleyball Confederation
Date: June 10th 2022

Internal Audit Period: Financial Year Ended December 31st 2021

We undertook the internal audit remotely and we have reviewed not only the 2021 financials but also 2022 budget and 2023 budget.

We have reviewed the Balance Sheet, the Statement of Activities (profit and loss account) of NORCECA Volleyball Confederation for the period ended December 31st 2021 and the budget for 2022 and 2023 and it is our opinion that the Financial Statements reflect a true and fair view of the Financial Position of the Confederation.

Concerning the 2021 Audit, we reviewed the balance sheet in particular the Receivable and Payables to identify if these components have been updated in 2022 and The inventory of sport equipment.

We have also reviewed the Income and Expenditure statement and reports as follows:

- Receivables from national federations: The outstanding balance of most federations are good except two federations that need special attention.

Budget 2022/2023

Analyzing this section, we have noticed that in most of the cases there is a discrepancy between budget and execution and in most of the cases, the figurers of execution are higher. We suggest that when preparing the budget not to increase the budget of the actual year with a certain percentage but take also into account other issues that might be of influence.

Incomes: FIVB is not granting any allowance to NORCECA, which implies that NORCECA depends on the income of the Competitions, activities and events and the Publicity and marketing rights. Its shows a lot of courage and determination of all involved to ensure that NORCECA will reach its goal in the benefit of his members.

Conclusion:

Despite not receiving, any grant from FIVB NORCECA has a solid financial position.

We can conclude that NORCECA operations have adopted rapidly for survival to the occurrences of 2020. We as internal auditors grant approval to the financial report of 2021.
