Coaches comment about their teams at Women's Cup

SANTO DOMINGO, Dominican Republic, September 12, 2021 – The coaches of the six teams participating in the 19th Women's Pan American Cup commented about the characteristics of their squads during the preliminary inspections carried out by the Control Committee of the event on Sunday.

Shannon Winzer (Canada): "We have mostly players from our Next Gen Team who are exciting young players who will make impact for Canada in the next four years. We do have some senior players to help the unexperienced ones. Those players took part in the Nations League and in the NORCECA Championship."

Joel Olazabal Herrera (Cuba): "We have a young team that was going to participate in the U-20 World Championship but then we got complicated by the pandemic. Our goal is to give these girls a chance to play as they have not played in a tournament since 2019 and are eager to play. The goal is to reach the highest possible place, get points for the ranking and battle against the other teams".

Marcos Kwiek (Dominican Republic): "We have a roster of 21 players and our plan, since we are playing at home, is to put daily a competitive team while giving opportunity to the younger players so the fans can know them. We have big responsibility as we just won the NORCECA Championship and need to handle that pressure while giving a good volleyball show for the fans to enjoy."

Rafael Petry (Mexico): "Our team is a blend of experienced players with players from the U23. Our goal is to go for the top positions in the competition while continuing the process of development and evolution. I took the team last May and we have clear objectives of development improving the volume of game of the players giving the chance of adding kilometers to their game."

Carlos Felipe Rodriguez (Puerto Rico): "We are bringing only two players who were part of the team that won the silver medal at NORCECA tournament. Most of the players are going to have their first international experience at this level. The team trained together only for one week but we are here to represent our country giving our first effort."

Karch Kiraly (United States): "We are excited to see what this young group of Americans can do at the 2021 Pan American Cup. Some of them are very young with not so much experience. It will be just a learning and developing opportunity for them."

Entrenadores comentan sobre sus equipos en Copa Femenina

SANTO DOMINGO, República Dominicana, 12 de septiembre de 2021 - Los entrenadores de los seis equipos participantes de la XIX Copa Panamericana Femenina comentaron sobre las características de sus escuadras durante las inspecciones preliminares que realizó el Comité de Control del evento el domingo.

Shannon Winzer (Canadá): “En su mayoría tenemos jugadores de nuestro equipo de Próxima Generación que son jugadoras jóvenes y excitantes que tendrán un impacto para Canadá en los próximos cuatro años. Tenemos algunos jugadores de alto nivel para ayudar a las inexpertas. Esas jugadoras participaron en la Liga de las Naciones y en el Campeonato NORCECA”.

Joel Olazabal Herrera (Cuba): “Tenemos un equipo joven que era el que iba a participar en el Campeonato Mundial Sub-20 pero se nos complicó con la pandemia. Nuestro objetivo es darles oportunidad de juego a estas muchachas que no juegan un torneo desde 2019 y tienen muchos deseos de jugar. La meta es alcanzar el lugar más alto posible, conseguir puntos para el ranking y luchar contra los demás equipos”.

Marcos Kwiek (República Dominicana): “Tenemos un plantel de 21 jugadoras y nuestro plan, ya que estamos jugando en casa, es poner a diario un equipo competitivo y dar oportunidad a las jugadoras más jóvenes para que la afición las conozca. Tenemos una gran responsabilidad ya que acabamos de ganar el Campeonato NORCECA y necesitamos manejar esa presión mientras brindamos un buen espectáculo de voleibol para que los fanáticos disfruten”.

Rafael Petry (México): “Nuestro equipo es una mezcla de jugadoras experimentadas con jugadoras de la Sub-23. Nuestro objetivo es ir por las primeras posiciones en la competencia mientras continuamos el proceso de desarrollo y evolución. Tomé el equipo el pasado mes de mayo y tenemos claros los objetivos de desarrollo mejorando el volumen de juego de las jugadoras dando la posibilidad de sumar kilómetros a su juego”.

Carlos Felipe Rodríguez (Puerto Rico): “Estamos trayendo solo a dos jugadoras que fueron parte del equipo que ganó la medalla de plata en el torneo NORCECA. La mayoría de las jugadoras van a tener su primera experiencia internacional a este nivel. El equipo entrenó en conjunto solo durante una semana, pero estamos aquí para representar a nuestro país haciendo nuestro primer esfuerzo”.

Karch Kiraly (Estados Unidos): “Estamos emocionados de ver lo que este joven grupo de estadounidenses puede hacer en la Copa Panamericana 2021. Algunas de ellas son muy jóvenes y sin tanta experiencia. Esta será sencillamente una oportunidad de aprendizaje y desarrollo para ellas”.
