Teams ready for the U19 Girls' NORCECA Pan Am Cup

JUANA DIAZ, Puerto Rico, May 8, 2023.- Coaches of the eight teams at the U19 Girls' NORCECA Pan American Cup taking place at Juana Díaz, Puerto Rico from May 9-14 commented about their expectations ahead of the competition during Monday's preliminary inquiry.

Christine Biggs, Head coach Canada: "We had a quick preparation, we have a great pool of identified athletes in Canada and so we were flexible to the change dates, so we were excited to get a few days of training before traveling. We are excited about helping these athletes develop international match experience and looking forward to competing, working towards some wins at an international stage because this is a newer developmental program and the pathway for our seniors' national team".

Edivaldo Bonilla, Head coach Costa Rica: "A tournament like this one serves as preparation for our team, our goals are more focused on the Central American championship in Belize in July. It's the debut for some players and we are strengthening the process that has lasted approximately six years. Most of the players competed last year in this same Cup and several at a senior level".

Head coach Dominican Republic: "The team came well prepared, we had a lot of time of practice with the same team, we were able to work technically, tactically, and physically to be here. We are aiming for a medal, but mostly in improving our players' performance for their professional career".

Marvin Ulloa, Head coach Honduras: "The preparation was short, we weren't expecting to participate, but we are taking the opportunity to be here for the growth of our players. Most of the team is new because this age-group had no practice during the pandemic, but 4 players competed internationally last year in other categories".

Luis Bañuelos, Head coach Mexico: "We are glad to be here, our team has a loss due to injury and unfortunately, she couldn't come. The team has been preparing, looking to be better. We are thrilled and focused to improve the fifth place in last year's Cup".

Eduardo Galarza, Head coach Puerto Rico: "We have high expectations, we always have in mind to win and even more because we are the hosts, with the support of our fans we want to go far in the competition. The team had seven training sessions here at the High-Performance Center in Salinas and we have two months of hard work. The players are excited and ready to compete. Almost 80% of the team will be competing at the U19 world championship and this will be a great preparation".

Keegan Cook, Head coach United States: "This is the first time we have the opportunity to compete in two events in a year, so we are thankful because it gives us a chance to see many more athletes within our program. We had a short training block in Anaheim to put together a competitive and youthful group to bring here. I expect their level of play to improve throughout the tournament, some players have experience, but many are competing internationally for the first time, it's their debut and I am excited for that".

Isaac Raphael, Head coach U.S. Virgin Islands: "It's going to be a tough competition, I am excited about it, to be here and the opportunity. We took a week to prepare and practice, and then a week off to go back to school. I really wish us luck".

Equipos listos para la Copa Panamericana NORCECA Sub-19 Femenina

JUANA DIAZ, Puerto Rico, 8 de mayo de 2023.- Los entrenadores de los ocho equipos en la Copa Panamericana NORCECA Sub-19 Femenina que se celebra en Juana Díaz, Puerto Rico del 9 al 14 de mayo comentaron sobre sus expectativas previo a la competencia durante la reunión preliminar del lunes.

Christine Biggs, Entrenadora de Canadá: "Tuvimos una preparación rápida, tenemos identificado un excelente grupo de atletas en Canadá, por lo que fuimos flexibles con el cambio de fechas y nos emocionó tener algunos días de entreno previo a viajar. Nos emociona ayudar a estas atletas a desarrollar experiencia internacional con los partidos y estamos a la expectativa de competir, trabajando para lograr algunos triunfos en el escenario internacional porque este es un programa nuevo de desarrollo y el camino hacia la selección de mayores".

Edivaldo Bonilla, Entrenador de Costa Rica: "Un torneo de esta índole es para foguear al equipo, nuestros objetivos van más enfocados hacia el campeonato centroamericano en Belice en julio. Pretendemos debutar jugadoras y consolidar un proceso que lleva aproximadamente seis años. La mayoría de las jugadoras compitieron el año pasado en esta misma Copa y varias a nivel mayor".

Marcos Macedo, Entrenador de República Dominicana: "El equipo viene muy bien preparado, tuvimos mucho tiempo para entrenar con el mismo equipo, se pudo hacer todo el trabajo técnico, táctico, físico y psicológico para estar acá. República Dominicana siempre tiene la expectativa de competir ante los mejores y creemos tener una buena generación de jugadoras que tuvo un buen resultado en la Copa pasada. Venimos en busca de una medalla, pero sobre todo mejorar el desempeño de las jugadoras en su desarrollo para llegar a ser profesionales".

Marvin Ulloa, Entrenador de Honduras: "La preparación fue poca, no esperábamos participar, pero estamos aprovechando la oportunidad de estar en este evento y que crezcan nuestras jugadoras. En su mayoría es un equipo nuevo porque esta categoría no estuvo entrenando por la pandemia, pero hay 4 jugadoras que tuvieron competencia internacional el año pasado en otras categorías".

Luis Bañuelos, Entrenador de México: "Estamos muy contentos de estar acá, hubo una baja en el equipo por lesión y lamentablemente la jugadora no pudo venir. El equipo ha estado preparándose, buscando ser mejores. Venimos entusiasmados y mentalizados de mejorar el quinto lugar que logramos en la Copa del año pasado".

Eduardo Galarza, Entrenador de Puerto Rico: “Nuestras expectativas son grandes, siempre pensamos en ganar y más estando en casa, con el apoyo del público queremos llegar lejos. El equipo tuvo siete entrenamientos fuertes acá en el Centro de Alto Rendimiento de Salinas y llevamos un total de dos meses preparándonos duro. Las jugadoras están emocionadas y listas para la competencia. Casi el 80% del equipo competirá en el mundial de la categoría y esta será una gran preparación”.

Keegan Cook, Entrenador de Estados Unidos: “Esta es la primera vez que tenemos la oportunidad de competir en dos eventos en un año, así que estamos agradecidos porque nos brinda la oportunidad para observar a más atletas de nuestro programa. Tuvimos un bloque de entrenamiento corto en Anaheim para conformar a un grupo competitivo y joven para traer acá. Espero que su nivel de juego mejore durante el torneo, algunas jugadoras tienen experiencia, pero muchas están compitiendo internacionalmente por primera vez, es su debut y estoy emocionado por ello”.

Isaac Raphael, Entrenador de Islas Vírgenes Estadounidenses: “Será una competencia dura, estoy emocionado por el torneo, de estar acá y por la oportunidad. Nos preparamos y entrenamos por una semana, y luego tomamos una semana para continuar en la escuela. Verdaderamente nos deseo suerte”.
