Girls U17 Pan American Cup A Great Preparation Towards the World Championship

Guatemala City, Guatemala, May 26, 2024 - Coaches from current U17 NORCECA champion Mexico, Puerto Rico, Dominican Republic, and Peru agreed that the Girls U17 Pan American Cup is a great opportunity to prepare before they compete from August 17 to 24 in the FIVB World Championship in Peru.

The day before the competition begins at the Multi-Sports Dome in Guatemala City, the eight coaches of the participating teams shared their initial impressions.

The Girls U17 Pan American Cup, to be held from May 27 to June 1, is part of the qualification system for the 2025 NORCECA Continental Championship and the 2026 FIVB World Championship.

Christian López, Head Coach of Costa Rica: “We believe we are in good shape; we have trained a lot. At this age, it is mostly a learning process. We come to try to do our best, have a very good tournament, but above all, gain experience. There are new faces on the team, 5 or 6 are from the team that competed last year in Honduras”.

Carina Menes Carrion, Head Coach of Cuba: “We come with good preparation. Last year, when we competed in the NORCECA U17, we didn’t win a medal and finished in sixth place. This year, we have prepared competitively; we are preparing this U17 team for the U19 tournament. We worked a lot on our reception, which was our weakness in the previous competition. We are here to fight for the championship”.

Marcelo Cezarano, Head Coach of Dominican Republic: “We are training hard to improve. I am the new coach, and the players are adapting very well to the change. The main goal is our preparation for the World Championship. We will go into every match to win. We are looking for good results”.

Celeste Cifuentes, Head Coach of Guatemala: “My team is very motivated and strengthened. They are a group of girls who have worked since they were in mini-volleyball at the national level. For most of the team, as well as for me as a coach, it is a new experience competing internationally. We know it is a tough competition, facing strong teams in the area. We have worked on the psychological aspect of the game, and we will try to exploit our strengths”.

Ignacio Sánchez Palmeros, Head Coach of Mexico: “This tournament is a good scale to see where we stand before we compete in the World Championship. It allows us to test other athletes; we have two injured players, and we will have the opportunity to see others play, so we can arrive with the best team at the World Championship. Coming as NORCECA champions gives us the chance to play good volleyball because all the teams will play at one hundred percent against us, and that's what we want for our development”.

Antonio Rizola, Head Coach of Peru: “I love the Pan American Cup; it is a fundamental competition for all the teams in the Americas because we don’t play against each other much. Especially this Peruvian team, it will be our first time together, and I need to use it as a laboratory because from the team that qualified last year for the World Championship, I changed players’ positions and added five new players, everything is unknown. The team is anxious, it’s

necessary to remember that they are all girls, and we will seek our own objectives as a team, our growth in every aspect of its performance”.

Juan Carlos Núñez, Head Coach of Puerto Rico: “We are preparing for the World Championship in August. After the NORCECA Championship in Honduras, we had a tryout for new players and nearly 300 girls participated, we selected 20 who trained for a month and a half to come here. Of the 12 players on the team, this championship will help me evaluate 8 girls who were not in Honduras. It is a good period to decide on the team we will take to Peru”.

William Ruiz, Head Coach of Venezuela: “First of all we want to thank NORCECA and its president Cristóbal Marte for the invitation, and our Federation for including us again in these events. We are starting a new cycle, with a new group of young girls in our country, aiming to reach the elite of South American and World volleyball”.

Copa Panamericana Sub-17 Femenina una gran preparación rumbo al Mundial

Ciudad de Guatemala, Guatemala, 26 de mayo de 2024.- Los entrenadores del actual campeón de NORCECA Sub-17, México, Puerto Rico, República Dominicana y Perú, coincidieron que la Copa Panamericana Sub-17 es una gran oportunidad de preparación previo a que compitan del 17 al 24 de agosto en el Campeonato Mundial de la FIVB en Perú.

El día previo a que inicie la competencia en el Domo Polideportivo de la Ciudad de Guatemala, los entrenadores de los ocho equipos participantes dieron sus primeras impresiones.

La Copa Panamericana Sub-17 Femenina a celebrarse del 27 de mayo al 1 de junio, forma parte del sistema de clasificación para el Campeonato Continental NORCECA 2025 de la categoría y al Campeonato Mundial de la FIVB 2026.

Christian López, Entrenador de Costa Rica: “Creemos que venimos bien, hemos entrenado bastante. A esta edad es más que nada un proceso de aprendizaje, venimos a tratar de hacer las cosas lo mejor posible, hace un muy buen torneo, pero sobre todo a ganar experiencia. Hay caras nuevas en el equipo, 5 o 6 son del equipo que compitió el año pasado en Honduras”.

Carina Menes Carrion, Entrenadora de Cuba: “Venimos con buena preparación. El año pasado cuando competimos en el NORCECA Sub-17 no logramos medalla, quedamos en sexto lugar. Este año nos preparamos competitivamente, estamos preparando este equipo Sub-17 para el torneo Sub-19. Trabajamos mucho en el recibo que fue lo que nos falló en la competencia pasada. Venimos a luchar por el campeonato”.

Marcelo Cezarano, Entrenador de República Dominicana: “Estamos entrenando fuertemente para mejorar. Soy el nuevo entrenador y las jugadoras están asimilando muy bien el cambio. El objetivo principal es la preparación para el mundial. Entraremos a todos los partidos para ganar. Vamos en busca de buenos resultados”.

Celeste Cifuentes, Entrenadora de Guatemala: “Mi equipo está bastante motivado y fortalecido. Son un grupo de niñas que han trabajado desde la categoría de mini-voleibol a nivel nacional. Para la gran parte del equipo, como para mi como entrenadora, es una experiencia

nueva de competir a nivel internacional. Sabemos que es una competencia fuerte, enfrentaremos a potencias del área. Se ha trabajado con ellas la parte psicológica del juego y buscaremos explotar nuestras fortalezas”.

Ignacio Sánchez Palmeros, Entrenador de México: “Este torneo es un buen parámetro para ver cómo estamos previo a nuestra participación en el mundial. Nos permite probar otras atletas, tenemos a dos jugadoras lesionadas y tendremos la oportunidad de ver a otras jugar, así podremos llegar con el mejor conjunto al mundial. Venir como campeones de NORCECA nos da la oportunidad de dar un buen voleibol porque todos los equipos nos van a jugar al cien por ciento, eso es lo que queremos para desarrollarnos”.

Antonio Rizola, Entrenador de Perú: “La Copa Panamericana me encanta, es una competencia fundamental para todos los equipos de América porque jugamos poco entre nosotros. Especialmente este equipo de Perú será nuestra primera vez juntos y tengo la necesidad de utilizarla como laboratorio porque del equipo que clasificó el año pasado al Mundial, cambié jugadoras de posición y cinco jugadoras nuevas, todo es una incógnita. El equipo está ansioso, es fundamental recordarse que son todas niñas, vamos a buscar nuestros propios objetivos del crecimiento del equipo en cada cosa en que se desempeñe”.

Juan Carlos Núñez, Entrenador de Puerto Rico: “Estamos en la preparación para el Mundial en agosto. Después del Campeonato NORCECA en Honduras, abrimos la convocatoria para que nuevas jugadoras se unieran al proceso, fueron casi 300 niñas de donde elegimos a 20 que se prepararon mes y medio para venir acá. De las 12 jugadoras que conforman el equipo, este campeonato me servirá para evaluar a 8 chicas que no estuvieron en Honduras. Es un buen período de tiempo para decidir al equipo que llevaremos a Perú”.

William Ruiz, Entrenador de Venezuela: “Primero deseamos agradecer a NORCECA y al su presidente Cristóbal Marte por la invitación, y a nuestra Federación por incorporarnos de nuevo a estos eventos. Estamos arrancando un nuevo ciclo, con un nuevo semillero de niñas en nuestro país, intentando llegar al élite del voleibol sudamericano y mundial”.
