Teams Enter Men's Volleyball Tournament in Asunción 2025 with High Expectations

ASUNCIÓN, Paraguay, August 16, 2025.– The teams competing in the men's volleyball tournament of the II Junior Pan American Games Asunción 2025, to be held from August 17 to 22 at the Paraguayan Olympic Committee (COP) Arena, arrive with great expectations.

At stake in this event is a berth to the 2027 Pan American Games in Lima for the tournament champion, as well as for the highest-ranked team from the opposite continental confederation that does not win the gold medal.

Before the start of the competition, the technical meeting took place with the participation of Dominican double Olympic champion Félix Sánchez, a member of the Panam Sports Technical Commission and Athletes' Commission, alongside officials from the Pan American Volleyball Union.

Diego Ferreira, Delegate of Argentina: "We came with solid preparation. This season, with several international competitions (U21 World Championship, Senior World Championship), assembling a roster was challenging. We carried out a dedicated effort throughout the year. We are confident we can deliver a high level of volleyball for the fans who come to enjoy the Junior Pan American Games."

Lucas Müller, Delegate of Brazil: "We had a long preparation, about three months. This competition is part of the national team's season, and I believe we are very strong to reach the final. We came to defend the title; Brazil always plays to win tournaments."

César Lovera, Coach of Colombia: "The first objective is to get through the group stage. We believe we have a chance to move on to the next round, and from there we hope to play the best tournament possible. Preparation was short due to overlap with the U21 World Championship and the Senior Pan American Cup. The group is strong and ready to compete for a good performance at the Junior Pan American Games."

Darian Ferrer, Coach of Cuba: "We will aim for the best possible result. One of our goals is to fight for a spot on the podium. We ask the boys to enjoy the competition, to take it one match at a time and to feel good, because from there, results will come."

Alexander Gutiérrez, Coach of Dominican Republic: "For us this is a tough tournament; we're in a group that everyone expects the medalists to come from. This will allow us to measure ourselves against the powerhouses Brazil and Argentina, to see how far we still need to go to keep progressing and consolidating as we move forward. We just had a good tournament at the U23 Pan American Cup, and we will try to do our best, fighting in every match to see if we can advance to the next round. This is a long-term project, and a good result doesn't mean we're already established, it means we're on the right path."

Reider Lucas, Coach of Guatemala: "This is a beautiful competition, with a very high level and well-prepared teams; it is the prelude to the senior national teams. We come with the goal of finishing the group stage in a position that allows us to advance to the next round and improve on our performance from the last edition."

Renato Soares, Coach of Mexico: "We arrived two days ago and are eager to start the competition. We are ready to do our best. The group we're in is theoretically not as difficult as the other, and we must face three important matches to move into the next round. We will try to finish first in the group, that's our first goal, though it will be a very tough challenge."

Ronald Sarti, Coach of Paraguay: "Paraguay is a developing team, a process we began two years ago with my arrival in 2023 to prepare for the Junior Pan American Games. It's a young group with little experience but a strong desire to compete. We've worked hard and seriously to arrive in the best possible shape, and I believe we've succeeded because they have improved. We have a team ready to compete; you will see a different Paraguay, a young and hungry team. Even though we're the least experienced nation, we will compete and give our all to represent the country in the best way possible."

Equipos con Gran Expectativa en Voleibol Masculino de Asunción 2025

ASUNCIÓN, Paraguay, 16 de agosto de 2025.- Los equipos que competirán en el torneo de voleibol masculino de los II Juegos Panamericanos Junior Asunción 2025 que se disputará del 17 al 22 de agosto en la Arena del Comité Olímpico Paraguayo COP, están con gran expectativa.

En el evento está en juego un boleto para los Juegos Panamericanos Lima 2027 para el campeón del torneo, así como para el equipo mejor clasificado de la confederación continental opuesta que no obtenga la medalla de oro.

Previo al inicio de la competencia se realizó el congresillo técnico que incluyó la participación del doble campeón olímpico dominicano Félix Sánchez, miembro de la Comisión Técnica y de la Comisión de Atletas de Panam Sports, junto a las autoridades de la Unión Panamericana de Voleibol.

Diego Ferreira, Delegado de Argentina: "Venimos con una gran preparación. En esta temporada con varias competencias internacionales (Mundial Sub-21, Mundial de Mayores) conformar un plantel ha sido complicado. Hicimos un trabajo a conciencia que se viene realizando durante todo el año. Estamos confiados en brindar un alto nivel de voleibol para los aficionados que vienen a disfrutar del Panamericano Junior".

Lucas Müller, Delegado de Brasil: "Tuvimos una preparación larga, aproximadamente de tres meses. Esta competencia es parte de la temporada de la selección nacional y creo que estamos muy fuertes para llegar a la final. Venimos a defender el título, Brasil siempre juega para ganar las competencias".

César Lovera, Entrenador de Colombia: “El primer objetivo es atender la fase de grupos, consideramos que podemos tener posibilidades de avanzar a la siguiente ronda y a partir de allí esperamos hacer el mejor torneo posible. La preparación fue corta porque hubo cruce con el Mundial Sub-21 y la Copa Panamericana de Mayores. El grupo es fuerte para poder pelear y hacer unos buenos Juegos Panamericanos Junior”.

Darian Ferrer, Entrenador de Cuba: “Buscaremos el mejor resultado posible. Uno de los objetivos es luchar por estar en el podio. Le pedimos a los muchachos que disfruten la competencia, que vayan un partido a la vez y que se sientan bien, porque a partir de allí saldrá el resultado”.

Alexander Gutiérrez, Entrenador de República Dominicana: “Para nosotros es un torneo complicado, estamos en un grupo del cual todos consideran saldrán los medallistas. El grupo nos va a permitir medirnos con las potencias de Brasil y Argentina, para saber qué tanto nos falta para seguir avanzando e irnos consolidando a medida que vamos trabajando. Venimos de hacer un buen torneo en la Copa Panamericana U23 y vamos a tratar de hacer lo mejor posible, luchando en cada partido para ver si podemos avanzar a la siguiente fase. Este es un grupo para largo plazo y un buen resultado no quiere decir que ya estemos establecidos, significa que vamos por el camino correcto”.

Reider Lucas, Entrenador de Guatemala: “Esta es una competencia muy bonita, de muy buen nivel, con equipos bien preparados, es la antesala de las selecciones nacionales mayores. Venimos con el objetivo de terminar la ronda de grupos en una posición que nos de la posibilidad de avanzar a la siguiente ronda y mejorar nuestra posición de la pasada edición”.

Renato Soares, Entrenador de México: “Venimos hace dos días y estamos ansiosos de iniciar la competencia. Estamos listos para hacer lo mejor que podemos. El grupo en el que estamos teóricamente no es tan difícil como el otro, y debemos enfrentar tres partidos importantes para acceder a la otra ronda de la competencia. Intentaremos ser primer lugar del grupo, que es nuestro primer objetivo, será un trabajo muy difícil”.

Ronald Sarti, Entrenador de Paraguay: “Paraguay es un equipo en desarrollo, está en un proceso desde hace dos años con mi llegada en 2023 para prepararnos para los Juegos Panamericanos Junior. Es un grupo de jóvenes con muy poca experiencia, pero con muchas ganas de competir. Se ha hecho un trabajo duro, con mucha seriedad para llegar de la mejor forma y creo que se ha logrado porque han evolucionado. Tenemos equipo para competir, vamos a ver un Paraguay diferente, un equipo joven y con muchas ganas. Aunque seamos el país con menos experiencia, vamos a competir y a dar el máximo para dejar al país de la mejor forma”.
