Women's Volleyball at Asunción 2025 set to begin

ASUNCIÓN, Paraguay, August 9, 2025.— Women's volleyball is ready to kick off the second edition of the Junior Pan American Games in Asunción, Paraguay.

Representatives from the eight participating teams expressed optimism during the general technical meeting held at the Arena COP, the competition venue. It was confirmed that, in addition to the champion earning a berth to the Lima 2027 Pan American Games, the highest-ranked team from the other confederation that does not win the title will also qualify for the 2027 Pan American Games.

Teams have been divided into two groups: Group A consists of Argentina, Cuba, Costa Rica, and Paraguay, while Group B includes the defending champions, Brazil, alongside Chile, the Dominican Republic, and Mexico.

Eduardo Allona, Argentina's Head Coach: "The team is doing very well. We trained more intensively over the last two weeks, trying to put the team together for the competition. We are coming in with great determination to put on a good performance at the Games. We will aim to repeat or improve on the position we achieved in the first edition of the Games – Argentina won the bronze medal."

Giovani Foppa, Brazil's Team Manager: "This is a very important competition. Brazil must always come at full strength for all volleyball tournaments, so we have worked hard and must deliver a strong performance. The players are looking for a solid place in the international arena."

Sergio Alejandro Soto, Head Coach Chile: "I'm very happy, excited, and eager to start the competition. We've been training all year in different categories because we have a mix of players on the team. We have an adult team that participated in the Copa América and toured Argentina; and a youth team that participated in the U-19 World Cup, and that's how we prepared. Our first goal is to compete match after match, but above all, to finish in the top four."

Braulio Godínez, Entrenador de Costa Rica: "Venimos bastante bien. El equipo es una combinación de jugadoras de la categoría Sub-23 y Sub-21 que compitieron recientemente en las Copas Panamericanas de dichas categorías. Si nos hacen falta tres jugadoras que tuvieron que regresar a compromisos con sus universidades. Viene una buena base y esperamos ser competitivos".

Norka Latamblet, Head Coach Cuba: "It's not a difficult or easy task, but we're here to achieve the result Cuba has been hoping for, given that we didn't participate in the first version of the games. We had the U23 Pan American Cup, which served as preparation, and despite not competing for a year, they performed quite well. This is my debut as an international coach, and I'm very excited, hoping we do well and achieve our goal of qualifying for the Pan American Games."

Wagner Pacheco, Head Coach Dominican Republic: "We hope to play better than we did recently in Mexico, although I have a very important loss (the setter). But the time we had in Mexico helped us train. I think it will be a very tough tournament because the teams have strong U23 players. We are going to have a good tournament because our level is improving."

Luis León, Head Coach Mexico: "We feel ready to begin this new competition, and I'm sure the girls will give their all. We had approximately nine weeks of training and competed in the U23 Pan American Cup, where we finished third. We have a good team and expectations are high. We think we can compete in the finals, as our goal is to qualify for the 2027 Pan American Games."

Delio Arruebarrena, Head Coach Paraguay: "I started coaching Paraguay's national team in 2022. I made a selection of players during a national championship. Technically speaking, the team is very good. We haven't had the opportunity to compete at international level, and this could affect the players emotionally".

Voleibol Femenino de Asunción 2025 listo para comenzar

ASUNCIÓN, Paraguay, 9 de agosto de 2025. – El voleibol femenino está listo para dar inicio a la segunda edición de los Juegos Panamericanos Junior en Asunción, Paraguay.

Los representantes de los ocho equipos participantes se mostraron optimistas durante la reunión técnica general, celebrada en la Arena COP, sede de la competencia. Allí se confirmó que, además de que el campeón obtendrá su clasificación a los Juegos Panamericanos de Lima 2027, también se clasificará el equipo de la otra confederación que no resulte campeón, con el mejor ranking al concluir el torneo.

Los equipos han sido distribuidos en dos grupos: el Grupo A está integrado por Argentina, Cuba, Costa Rica y Paraguay; mientras que el Grupo B lo conforman las actuales campeonas, Brasil, junto a Chile, República Dominicana y México.

Eduardo Allona, Entrenador de Argentina: "El equipo viene muy bien. Entrenamos estas dos últimas semanas más intenso, tratando de armar el equipo para la competencia. Traemos muchas ganas para tratar de hacer unos buenos Juegos. Buscaremos repetir o mejorar la posición en la que nos ubicamos en la primera edición de los Juegos – Argentina ganó la medalla de bronce".

Giovani Foppa, Team Manager Brasil: "Esta es una competencia muy importante. Brasil siempre tiene que venir al máximo para todas las competencias de voleibol, por lo que trabajamos fuertemente y debemos hacer una competencia importante. Las jugadoras buscan un buen espacio en el ámbito internacional".

Sergio Alejandro Soto, Entrenador de Chile: "Estoy muy contento, emocionado y con muchas ganas de comenzar la competencia. Estuvimos entrenando durante todo el año en diferentes categorías porque tenemos una mezcla en el equipo. Tenemos una parte adulta que participó en la Copa América y además tuvo una gira por Argentina; y una juvenil las cuales participaron

en el mundial Sub-19 y así fue nuestra preparación. Nuestro primer objetivo es competir partido a partido, pero sobre todo quedar entre los primeros cuatro.”

Braulio Godínez, Entrenador de Costa Rica: “Venimos bastante bien. El equipo es una combinación de jugadoras de la categoría Sub-23 y Sub-21 que compitieron recientemente en las Copas Panamericanas de dichas categorías. Si nos hacen falta tres jugadoras que tuvieron que regresar a compromisos con sus universidades. Viene una buena base y esperamos ser competitivos”.

Norka Latamblet, Entrenadora de Cuba: “Es una tarea que no es difícil y fácil, pero venimos a cumplir con el resultado que Cuba ha estado esperando ya que no participamos en la primera versión de los juegos. Nosotros tuvimos en la Copa Panamericana Sub-23 que nos sirvió de preparación ya que a pesar de que llevaban un año sin competir actuaron bastante bien. Es mi debut como entrenadora a nivel internacional y estoy muy emocionada, esperando que nos vaya bien y cumplamos con el objetivo que es clasificar a los Juegos Panamericanos. Wagner Pacheco, Entrenador de República Dominicana: “Esperemos que juguemos mejor de lo que hicimos en México recientemente, aunque tengo una baja muy importante (la colocadora) pero ese tiempo que tuvimos en México nos sirvió para entrenar. Pienso que será un torneo muy duro porque los equipos con jugadoras Sub-23 fuertes. Vamos a hacer un buen torneo porque estamos subiendo nuestro nivel”.

Luis León, Entrenador de México: “Nos sentimos listos para empezar esta nueva competencia y estoy seguro de que las muchachas darán lo mejor de sí. Tuvimos una jornada de entrenamientos de aproximadamente 9 semanas además participamos en la Copa Panamericano Sub-23 en donde finalizamos en el tercer lugar. Tenemos buen equipo y las expectativas son altas, pensamos que podemos estar peleando las finales ya que nuestro objetivo es clasificar a los Juegos Panamericanos 2027.

Delio Arruebarrena, Entrenador de Paraguay: “Comencé en 2022 como entrenador del equipo de Paraguay. La captación de las jugadoras se realizó durante un campeonato nacional. El equipo está muy bien técnicamente. No hemos tenido oportunidad de participar en eventos internacionales por lo que emocionalmente puede afectar a las jugadoras”.
