Coaches Comment on Their Teams at the XXII Women's Pan American Cup

COLIMA, Mexico, August 2, 2025 – The coaches of the 10 teams participating in the XXII Women's Pan American Cup, which will be played from August 8 to 10 in the city of Colima, commented on the characteristics of their squads during the preliminary inspections conducted by the event's Control Committee this Thursday.

Matthew Krueger (Canada): “We are going to use this tournament as a learning experience since half of the team are young players who have just moved up from the U-23 division, and this is my first time as a head coach in this type of competition. So, we are going to test ourselves in this event and try to do our best.”

Guilherme Schmitz (Colombia): “This is my first time participating in a Pan American Cup as coach of the Colombian senior team. We have high expectations for a great tournament. It's our first competition of the season, which also serves as a great preparation for the World Championship to be held in Thailand.”

Esteban Ballesterro, Assistant Coach (Costa Rica): “First, we want to compete; we want to play well on the court. Second, we want the players to adapt to playing under pressure from other teams, which we understand are stronger than us. Then, we can confront that pressure and try to find solutions during the game.”

Manuel Torres (Cuba): “Our expectations are high. We're taking a new direction as a group. Although we came here with a limited group of players, the fundamental idea is to go out and play each match and, along the way, make adjustments to achieve the best possible result.”

Marcos Kwiek (Dominican Republic): “I think it's going to be a good tournament. We have teams here that are also going to the World Cup, and they'll use the tournament to fine-tune their teams, just like we are. So we're very focused and also want to seek a medal for the country, which is very important, and to continue our path to the World Cup.”

Nicola Negro (Mexico): “This season we're starting a new cycle, and this will be our second competition after the Final Four in Puerto Rico. It's an important Pan American Cup because it's very close to the World Cup, so we hope to continue growing and get the best possible result since we're playing at home.”

Antonio Rizola (Peru): “Peru is coming to this tournament with the expectation of testing another team. We played with a team in the Copa América, and here in the Pan American Cup we have five different players who weren't in the first tournament

we played this year, and it's important because we're preparing for next year. The Pan American Cup has always been an important tournament for Peru, and for me personally, Antonio Rizola."

Juan Carlos Núñez (Puerto Rico): "This tournament is very important for us because it's the last one we'll have in preparation for the World Cup. We'll also try to earn as many points as possible to remain ranked among the top 16 in the world. It's incredibly important for us because there are many teams that can give us points. Thank God, the team arrived healthy, and we'll fight for a spot on the podium."

Adrian Fiorenza (VEN): "Our expectations are high after having participated in the Copa America in Brazil, where we competed with a very young team. We are coming to this Pan American Cup with girls who already have international experience. While it is true that Venezuela has not been in this category of performance for four years, we believe we have the talent and potential to perform well."

Entrenadores comentan sobre sus equipos en XXII Copa Panamericana Femenina

COLIMA, México, 2 de agosto de 2025.- Los entrenadores de los 10 equipos participantes de la XXII Copa Panamericana Femenina, que se jugará del 8 al 10 de agosto en la ciudad de Colima, comentaron sobre las características de sus escuadras durante las inspecciones preliminares que realizó el Comité de Control del evento este jueves.

Matthew Krueger (Canadá): "Vamos a usar este torneo como una experiencia de aprendizaje ya que la mitad del equipo son jóvenes que acaban de subir de la división Sub-23 y es mi primera vez como entrenador principal en este tipo de competencia, así que vamos a probarnos en este evento y tratar de hacerlo de la mejor manera".

Guilherme Schmitz (Colombia): "Esta es mi primera participación en una Copa Panamericana como entrenador del equipo de mayores de Colombia, tenemos grandes expectativas de hacer un gran torneo, es nuestra primera competencia de la temporada que nos sirve también de mucha preparación para el Campeonato Mundial que se celebrará en Tailandia".

Esteban Ballesteros Coach Asistente (Costa Rica): "Primero queremos competir, queremos dar un buen juego en la cancha, segundo queremos que las jugadoras se acomoden a jugar con la presión de los otros equipos que entendemos que son más fuertes que nosotros, entonces enfrentar eso y tratar de buscar soluciones durante el juego".

Manuel Torres (Cuba): “Nuestras expectativas son importantes, estamos en una nueva dirección de grupo, aunque hemos venidos aquí con un grupo limitado de jugadoras la idea fundamental es salir a jugar cada partido y por el camino ir viendo e ir haciendo ajustes y llegar al mejor resultado posible”.

Nicola Negro (México): “Esta temporada empezamos un ciclo nuevo y esta va a ser nuestra segunda competencia después del Final Four en Puerto Rico y es una Copa Panamericana importante porque es muy cerca del Mundial así que esperamos seguir creciendo y obtener el mejor resultado posible ya que estamos jugando en casa”.

Antonio Rizola (Perú): “Perú viene para este torneo con la expectativa de probar otro equipo, jugamos con un equipo en la Copa América y aquí en la Panamericana tenemos cinco jugadoras diferentes que no estuvieron en el primer torneo que jugamos este año y es importante porque nos estamos preparando para el año próximo. La Copa Panamericana siempre ha sido un torneo importante para Perú y personalmente para mí Antonio Rizola”.

Juan Carlos Núñez (Puerto Rico): “Para nosotros este torneo es bien importante porque es el último que vamos a tener de preparación para el Mundial, además trataremos de coger la mayor cantidad de puntos para seguir estando en el ranking entre los mejores 16 del mundo así que para nosotros es importantísimo porque hay muchos equipos que nos pueden dar puntos, gracias a Dios el equipo llegó en salud y lucharemos por un lugar en el pódium”.

Marcos Kwiek (República Dominicana): “Yo creo que va a ser un buen torneo, tenemos aquí equipos que también van para el Mundial, que van a utilizar el torneo para ajustar su equipo al igual que nosotros, así que estamos muy enfocados y queremos también buscar una medalla para el país, que es muy importante y para seguir nuestro camino hacia el Mundial”.

Adrian Fiorenza (VEN): “Nuestras expectativas son altas después de haber participado en la Copa America de Brasil donde concurrimos con un equipo muy joven y a esta Copa Panamericana venimos con muchachas que ya tienen experiencia internacional y si bien es cierto que hace 4 años que Venezuela no está en este ámbito de rendimiento creemos que tenemos el talento y el potencial suficiente para realizar un buen papel”.
