

# NORCECA Medical Commission

Dr. Víctor M. Figueroa

President Norceca Medical Commission

Member FIVB Medical Commission

---

# Role of the Commission

The primary role of the Commissions is to make proposals to the Board of Administration and the Executive Committee on matters of a highly technical or specialised nature.

*Article 2.9.3 FIVB Constitution*

# NORCECA EXPECTATION

A vertical black line is positioned to the right of the text. In the bottom right corner of the slide, there is a blue triangle pointing upwards and to the left, partially overlapping a grey border.

# **Duties:**

**Duty of  
Confidentiality**

**Duty of Loyalty**

## Avoidance of Conflicts of Interest

**You are a member of an  
NORCECA body**

**Experience from other  
volleyball stakeholders  
can lead to valuable input  
but should not impact  
judgement**

# Availability

**One required meeting a year**

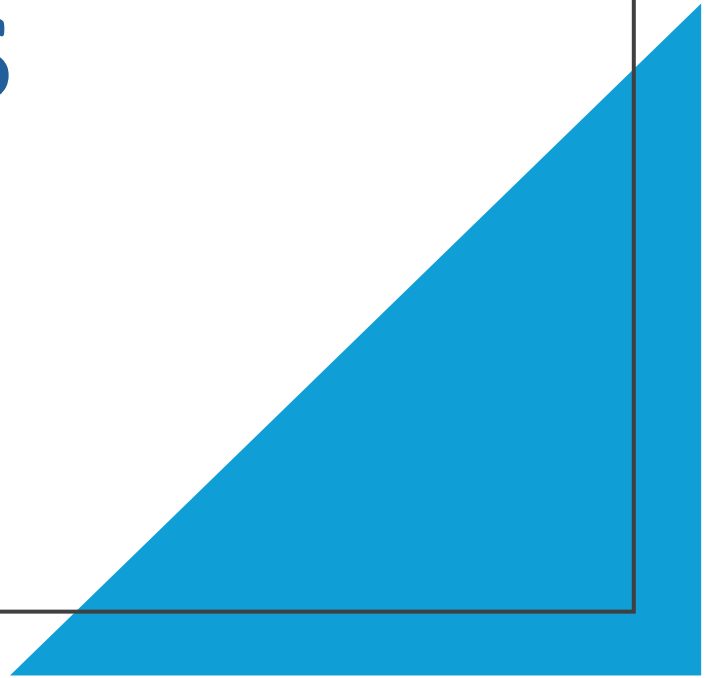

**Participate in meetings and in working groups**

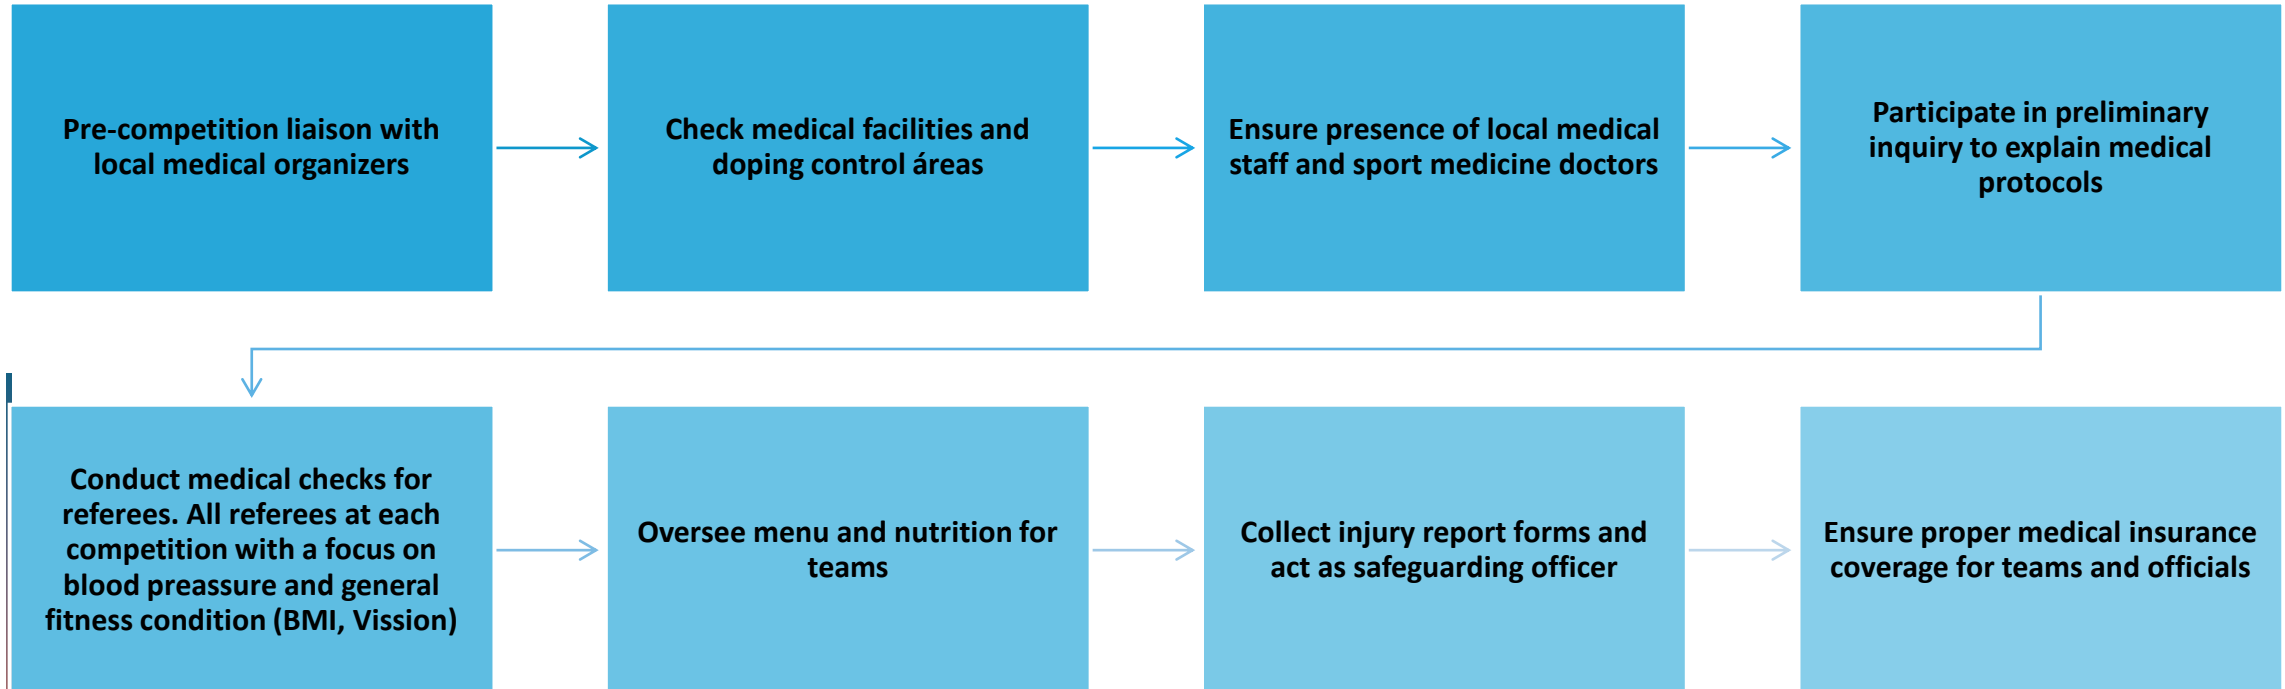

**Prompt reply to emails**

# Medical Delegate Responsibilities

# These responsibilities centre on:

# Alcohol Test

# Lack of a clear protocol for alcohol testing

Clarify that alcohol testing is no longer compulsory but can be conducted at the discretion of the referee coach and medical delegate.

Ensure that test equipment is available from the organizers if needed.

# Doping Program

# Doping Program

**2024**

- ✓ Agreement with ORAD-PAN (Regional Anti-Doping Panamerican Organization) for taking anti-doping test in all of our events.
- ✓ Total number of test performed: 113 test
- ✓ Results: All test were negative

**2025**

- ✓ Continue performing test in all of our events.
