## XVII Norceca Congress 2005 in its final stage

The XVIII NORCECA Congress 2005, programmed to be held on October 21-22, 2005 in the beautiful Barcelo Bavaro Beach Resort Convention Centre in Punta Cana, Dominican Republic, with a special dedication in honour of Dr. Ruben Acosta Hernandez, President and Founder of NORCECA Volleyball Confederation and President of the Federation Internationale de Volleyball, FIVB, is now in its final stage of organization.

NORCECA's Staff led by its President Lic. Cristobal Marte Hoffiz, are working around the clock to ensure that all details are foreseen. A special section

in NORCECA's website, has been posted with all necessary information for participating delegates from 35 countries of the North, Central American and Caribbean Region.

The official invitation to the Congress has been circulated to all National Federations affiliated to NORCECA, as well as, the procedures for the accreditation of participating delegates. Accommodation forms have been received from a total of 33 National Federations who have confirmed their active participation.

All Candidature presentation

for NORCECA's President, Board of Administration and Commission Members have been received in due time. Also, the Central American Region, AFECAVOL, and the Caribbean Region, CAZOVA, have presented the nomination of their candidatures to be elected for NORCECA's Board of Administration.

NORCECA Congress 2005 handbook/working documents and agenda have been already circulated to all participating National Federations. The Agenda is also available in NORCECA's website special section for the Congress. [www.norceca.org](http://www.norceca.org)
